Review or approval of any application is not based on race, religion, or nationality of the applicant.

Hampton Youth Commission (HYC) has service grants available for youth-led projects that are designed to benefit young people and their community in honor of National Youth Service Day (April 20-22, 2007).

Important Information Regarding Service Grants:

Youth Service Grants for Youth-Led Projects are awarded in any amount up to \$500 and projects may be conducted at any time from March 2007 to June 2007.

Projects must:

- Support the ideas and energies of young people to make a difference in their school, neighborhood, or community.
- Be based on a partnership of youth and adults in their planning and implementation.
- Directly benefit the youth of Hampton and our community, not just the sponsoring organization.
- Be service-oriented in nature. A service project offers a unique opportunity for America's young people to get involved with their communities in a tangible way to bring awareness to real-life problems. Youth not only learn about democracy and citizenship, they become actively contributing citizens and community members through the service they perform. Service projects can involve a group of young people, a classroom or an entire school. Young people build character and become active participants as they work with others in their school and community to create service projects in areas like education, public safety, and the environment just to name a few.
- Conform to the funding guidelines listed on the following page.

Who can apply:

- Youth groups (if you do not have an adult or organization to sponsor you, let us know and we will help you find one).
- Youth and adult partnerships from youth-serving organizations, schools, neighborhoods, religious organizations, recreation programs, or other organizations.
- Organizations previously funded by HYC may request funds for **NEW** projects, or justify an improvement or expansion to a previously funded project.

Special Notes:

- Grants can only be given to groups or organizations that can establish accounting procedures to receive funds and document the expenditure of funds.
- The HYC should not be seen as a long-term funding source.
- Submitting an application does not guarantee selection. Getting funded one year does not guarantee funding another year.

Funding Guidelines:

- Grant money **may** be used for the following:
Supplies, materials and expenses that are directly involved with your project and are necessary to making it a success.
- PLEASE NOTE—Grant money **may not** be used for:
 - ❖ Religious instruction or conducting worship services (religious organizations may use funds for nonreligious programs open and publicized to the public)
 - ❖ Adult staff salaries or youth wages
 - ❖ Major equipment purchases (only equipment necessary for the project may be funded)
 - ❖ Travel outside the local area
 - ❖ Donations to other organizations or reallocation of funds
- All grant recipients **must** attend the City Council meeting on **April 11, 2007** at 7:30 p.m. for the acceptance of the Mayor's Proclamation for National Youth Service Day. A reception will be held prior to the meeting at 6:30 p.m. in City Hall's main lobby that you are highly encouraged to attend.
- All grant recipients **must** participate in a site visit by the HYC. Site visits are normally scheduled the day of your service project.
- Complete your project by mid June 2007 and submit a final report by **June 26, 2007**.
- Population to be served must live in Hampton.
